Harris Selection 25ML

Harris Vintners was founded in 1996 by Lewis Harris with the simple aim of providing restaurants and bon viveurs with a steady supply of great quality digestifs from France; many of which have been made by the same family for generations. Lewis would travel regularly to Padstow to taste with and sell to Rick. Now Denise and Henry Harris taste with and sell to me. Such relationships have always been important to our family; we just love the personal stories and the quality – Charlie Stein.
